The Prayer Time

We will meet for prayer at 7pm in Hall 3 every Wednesday; we will pray for the work and witness of the Church, for the needs of the community and the world, as well as for individual prayer requests. You can access Hall 3 by the door at the East (City) side of the Church building.

Daniel 1 - 6

For 70 years, Daniel served the Lord. Living in exile since was a teenager, Daniel rose to a place of influence as empires came and went. At a time when Christians are feeling that the culture around us is increasingly hostile and alien, perhaps Daniel has something to teach us.

The Easter Story

The story of Jesus' death and resurrection dominates the gospels. Over two weeks, we will look at the major events of Easter, from the Last Supper to the resurrection in order to have a firmer grasp of the events at the heart of Christian faith.

Church Wednesday is an opportunity to pray together and learn to understand the Bible together. It is an opportunity to nurture our faith together. Do make use of this opportunity in any way that you are able.
