Mar 31	7pm Prayer	7.30pm Bible Study: Acts 17

The Prayer Time

We will meet for prayer at 7pm in Hall 3 every Wednesday (except March 10); we will pray for the work and witness of the Church, for the needs of the community and the world, as well as for individual prayer requests. You can access hall 3 by the door at the East (City) side of the Church building.

The Book of Acts

This is the story of the early Church. It is a dynamic story as the first Christians embarked on their mission to tell people the stories of Jesus. It also shows us a church wrestling with the big issues of the day. Our interactive study will allow us to learn from the Church then, for the 21st-century Church.

Just People?

This interactive course is produced by Community Mission, a joint venture by Tearfund and *Livability*. It is designed to help us think about the relationship between the Church and the community around us, to examine issues of mission and to encourage Christians to take action to effect change locally and globally.

This is a new opportunity to pray together and learn to understand the Bible together. It is an opportunity to nurture our faith together. Do make use of this opportunity in any way that you are able.
